WELCOME TO ROSE COURT

Situated in the peaceful residential area of Radcliffe, Manchester, Rose Court is a welcoming, purpose-built care home offering residential, nursing and dementia care for up to 89 residents.

Offering a warm and homely environment, we pride ourselves on offering a loving and caring home where residents are supported around the clock.

Personal care plans, created in collaboration with residents and their loved ones, consider unique medical, personal, and dietary needs as well as individual preferences.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged.

FACILITIES AND LIFESTLYE

Each of our bedrooms are wheelchair accessible, and residents are welcome to personalise them as they wish.

Rose Court features variety of places to socialise, dine, and relax, with many rooms dedicated to encouraging residents to explore their creativity including a music room, sensory room, hobbies and interests room, and a memory room. Residents can also catch up over a cup of tea in our café, or indulge in their favourite tipple at our own bar. Our pretty, enclosed garden also provides an opportunity for a spot of gardening or to enjoy fresh air, while our on-site hair salon is a much-loved place for some pampering.
